Sir:

The above-identified application filed on October 23, 1997, originally and correctly claimed and maintained small entity status in good faith. However, it has recently been discovered that through a merger in 2009 of Applied Imaging Corporation, the previous Assignee, into Genetix Corp, a large entity corporation, the small entity status was incorrectly maintained and without deceptive intent for the payment of the 3rd Maintenance Fee on January 9, 2012. The following submission and itemization are believed to meet the requirements of 37 C.F.R. Sections 1.28(c)(1) and (c)(2) and MPEP-Section 509.03(X). Therefore, Applicants respectfully request the deficiency payment be processed and the correct entity status be accorded to the application.
